Practical Research Experience Program

Your summer in Munich, your research in excellence

How about doing your research here?

Welcome to TUM

TUM PREP invites you to a summer research stay of eight weeks that will help you refine your research skills at Europe's top-ranked major research university. While staying at the Technical University of Munich (TUM), you will

- Gain hands-on research experience to sharpen your skills.
- Explore German higher education, culture, and traditions.
- Build an international network with fellow students from Germany and around the world.

Check the TUM PREP website for the program dates and the program manager's contact details.

www.international.tum.de/en/prep

Apply for TUM PREP

Your online application must include

- Application form
- Letter of motivation
- Resume
- Transcript of records
- Letter of recommendation
- Declaration of insurance

Your Profile

- Enrolled at a TUM PREP partner institution
- Bachelor or Master student (minimum of two years of bachelor studies completed upon arrival at TUM)
 - GPA of 3.0 or better (4.0 U.S. scale)
 - Fascination for science and research
- Curiosity to explore other cultures and environments

Our Offer

- Cutting-edge research projects at Europe's number 1 research institution
 - Transcript and certificates
 - 10 ECTS credits
 - Orientation and framework program
- Individual support by program manager & student buddies

Welcome to Munich

Join TUM PREP and enjoy your summer in Munich – an innovation hub and Germany's safest, most prosperous, and perhaps most beautiful city.

Combine research with traditional Bavarian customs, unwind in Europe's largest park, the English Garden, discover the city's architecture and culture, or spend your weekends hiking, cycling, or relaxing at one of Bavaria's stunning lakes.

Located in the heart of Europe, many other European capitals are just a few hours away.
